MAY 12

Is Set Apart by the Governor of the State as Mothers' Day.

CHARLESTON, April 26.—Governor William E. Glasscock has designated the second Sunday in May as Mothers' Day in West Virginia and has issued a proclamation to that effect. It is as follows:

STATE OF WEST VIRGINIA
Governor's Office

A Proclamation by the Governor:

Whenever we forget our mothers we forget our best friend and the one to whom we owe most. What the nation is today is what our mothers have made it. Liberty, religious freedom and the happy home life are all products of our mothers' love and teachings. The man who forgets his mother will forget God, home and native land.

I believe that one of the most beautiful and sacred customs of recent years is that of setting apart a day to be known and observed as Mothers' Day—a day which brings to one's mind and heart the memory and love of the "best mother in the world"—one's own.

Believing that this custom should be perpetuated and that one day in each year should be devoted to paying homage to our mothers,

I, William E. Glasscock, governor of the state of West Virginia, do hereby set apart Sunday, May 12, 1912, to be observed by all of the churches as Mothers' Day, and request that on that day all persons attend divine worship and wear a white flower as an emblem of her purity, faithfulness and love.

In testimony whereof I have hereunto signed my name and caused the Less Seal of the state to be affixed. Done at the capitol in the city of Charleston, this twenty-second day of April, in the year of our Lord One Thousand Nine Hundred

SEAL and Twelve, and of the state the forty-ninth.
WILLIAM E. GLASSCOCK,
By the Governor:
STUART F. REED,
Secretary of State.

BROOKLYN GIRL WELL NOW

When you get right down to the
plain facts it is generally a very sim-
ple matter to get rid of a bronchial
cough, if you go at it right.

The trouble is, most people dose
themselves with soothing syrups that
really don't have any curative effect.

Now Vinol, our delicious cod liver
and iron preparation without oil is
a specific throat and lung healer—it
goes to the seat of the trouble at
once, stops the cough and heals the
inflamed bronchial tubes.

For example, there is Miss Julia
Leyendecker of Brooklyn. She says

"I had a stubborn cough last spring
that hung on for six weeks and made
me very uneasy, so I took Vinol, as I
had heard it was good for coughs. I
had already tried several cough medi-
cines without benefit, but Vinol soon
stopped my cough and I now feel
perfectly well."

It's simply a matter of gaining
strength and building up health. We
guarantee Vinol to give you perfect
satisfaction. Try it. Stone & Mercer,
Druggists, Clarksburg, W. Va.

If you can buy it for LESS (and
you will learn whether or not there's
a chance to do so through reading the
ads), without sacrificing QUALITY
(as you know, being an experienced
judge of values, when you come to
examine it), then is it not simple
COMMON SENSE to do it?
